

Vice President Cheney, adding a few new jokes to his set before the show.

*Vice President Cheney, explaining why he lives at the Naval Observatory:
"It's where Vice Presidents go to observe their navels."*

*Vice President Cheney closing with his version of the Aristocrats:
“So he says “well, what do you call it?” so I says to him ‘You’re
doing a heckuva good job, Brownie!’”*

Doug, shown enduring Dick Cheney's joke about the size of his pacemaker.

*Doug, shown explaining how the Vice President can "funny up" his pacemaker bit:
"It's funnier to say you no longer have heart attacks – you have brownouts."*
